ON D. S. BROOKS' LETTER, "TH ORIGIN OF CHRISTMAS"

The Oxford County Citizen, Carl L. Brown, Publisher.

1932) of the Oxford County Citizen was sent me by a friend and much enjoyed by Mr. Harrison and me,

Origin of Christmas" is very interest-Tomorrow something may happen in thoughts other than to warn you, dear Ar

Now I think that it is too bad, if there is a most startling circumstance An just ahead, to seal one's lips. Curiosity might induce a few to look into this is a and uninformed persons might not know, when they did find it, that it is matter of great importance, and it might take a long time to find it; or the startling circumstance might take As, place before it is found. Therefore I have hunted up some scriptures that, I hope may enlighten and prove bene-

We often have heard the expression

Now, there is another day, and it is the one D. S. Brooks has in mind. It is just as important as the last day. It is when the Lord Jesus returns to take his blood bought children away to Himself. We do not know just Con when that will be, neither does He, but His Father will send him; and because he has been so patient with sinners; not willing that any should perish; man thinks that it is all a mis- Con take. Jesus came once according to Cu The last verse of the Bible reads-

By EDGAR T. MONTFORT

O by McClura Newspaper Syndicate, WNU Service

DEAREST NANOY-I hope you won't be too disappointed when you hear that I shan't be able to get back in time for you to take your trip this summer. I guess I should have told you sooner, but the days Just seem to slip by without my knowing where they are going. It is wonderful up here and I am having the time of my life. I'm chasing a man and he's going to be here six weeks more. If you could go on substituting at the office for me just that little bit longer, Sings, Chapman Street, Bethel VII-I can't tose my Joh in case I don't entch him. Honey, I know you won't mind giving up your trip this once for your devoted sister .- Ann.

When Nancy had finished reading her letter she flung herself across the hed and burst into uncontrollable weeping. She buried her fluffy bland hend in the pillow and kicked her patent leather heels in the air. Her aunt, hearing the commotion, ran in to investigate.

"Why, Nancy darling, what is the matter?" she asked, stroking the shaking shoulders of her niece.

"Oh Aunt Sally, Aunt Sally!" sobbed the girl, turning over and throwing her arms about the older woman's neck. "I'll never be happy again. never, never as long as I live, My own sister has gone back on me. She's tricked me and she walted to tell me until I'd made all my pretty clothes. and I spent my last penny to get the And for all my sins atoned I; material to make them. And what'll Raged I, sniffled I, and exploded, I do with them in this hole? What And a speedy death foreboded, here? How could she do it? How could she? Aml I had my heart cil set. I've been planning for this trip for over a year. How cruel she is! And my slater, my own slater that I loved so. How could she do this thing to me?"

the what. Nancy?" asked Mrs Walton at last

"Read that letter and you'll kee Just as cool as a cucumber. "I hope tion wan't he too disappointed." Names anoted with a smeet

Mrs. Walton read the letter and out it down with a sigh, her usually about it being the only redeeming feature about ft,

"Nancy, durling," she said after a moment, putting her arms around the girl again. "You're facing your first distillusionment about human being and it hurts the more because it's someone you love and trusted who has wronged you. It shouldn't hurt you any more than If some outsider had done it. Often those who are not re-
